ARIZONA'S OUT-OF-SCHOOL TIME CONFERENCE

Science, Technology, Engineering, Math and Beyond

**Track 101 Workshop:  
You are the Difference! Why our  
Work in Out-of-School Time is so  
Important 101**

Manuel Padia, Produce Positivity

During this session, we will use a series of optical illusions to discuss the important roles that we, as Out-of-School Time Professionals, play in the lives of our youth and participants. We will discuss working in collaboration with other groups, being “present” every day, how we help entire families and communities, and much more in a fun and interactive discussion! K-4, 5-8, 9-12. II, III, V.

**Thank you  
STEMfinity  
for being our  
Track 101 Sponsor!**

## Three Great Opportunities to Join the AzCASE team!

### Resource Manager

The Training & Resource Manager is a key leadership position in the organization that will curate, develop and oversee a range of training, tools, curriculum and other resources to out-of-school time programs and professionals across the state. This position has an important role in advancing high-quality programs through increasing access to resources and effectively cultivating strategic partnerships to expand services.

The addition of the Training & Resource Manager is also an exciting part of AzCASE's organizational growth and will be integral to expanding services over the next three years in response to a significant increase in government funding.

The Training & Resource Manager is supervised by and works in collaboration with the Executive Director. The position may supervise staff, interns and/or consultants, and will collaborate with all staff, constituents, board members, volunteers, donors, funders and

partner organizations. Read full description and apply [HERE](#)

### Partnership Manager

The Partnerships Manager is a key leadership position in the organization that will oversee and implement AzCASE's partnerships strategy. This position has an important role in creating a sustainability strategy, establishing the infrastructure needed to advance the strategy, and effectively cultivating strategic partnerships to expand services and attract believers.

The addition of the Partnerships Manager is also an exciting part of AzCASE's organizational growth and will be integral to expanding programs in response to a significant increase in government funding.

The Partnerships Manager is supervised by the Executive Director and works in partnership with staff and board members. The position may supervise staff, interns and/or consultants, and will collaborate with all staff, constituents, volunteers, donors, funders and partner organizations. ### Americorp VISTA

**Responsibilities:** Organize, promote and execute a series of Lights On Afterschool events to draw attention to the many ways afterschool programs support students by offering them opportunities to learn new things and discover new skills. Collaborate with network staff and network partners to support fund development and financial sustainability efforts. Coordinate AzCASE's Million Girl Moonshot Equity Training with Grant Winners. Engage in the promotion, evaluation and sharing of resources around a wide variety of issues related to equal access, diversity and equity. Collaborate with network staff to hold a professional development conference with a special target of low income and tribal communities. Apply [HERE](#).
