Looking for educational classroom activities that work online or in-person?

The Climate Superstars Challenge is an online environmental challenge comprised of short tasks that gets middle school students excited to learn about the environment. Plus, if your classroom completes at least 7 tasks, you'll have the chance to win a \$5,000 e-voucher for Samsung products!

Who Can Enter?

US middle school teachers (grades 6-8).*

How Does it Work?

Register your class online and visit the Climate Superstars portal during the contest period to access tasks and record your activities.

How Do I Win?

Classrooms that complete at least 7 tasks by midnight on October 31 will be entered into a drawing for a \$5,000 e-voucher for Samsung products.
