**Do you operate a high-quality summer program that's worth showing off to the entire nation?** Apply for the **2019 Summer Learning Awards** to receive national recognition along with a monetary award of **\$10,000**, generously provided by the New York Life Foundation and Lands' End.

The National Summer Learning Association (NSLA) is looking for exceptional

summer programs, models, and systems that keep children and youth learning, safe, and healthy during the critical summer months. Applicable programs will show strong outcomes in helping students cement the skills they have learned during the academic school year through creative curricula, unique programming, and effective family engagement strategies.

---

### **Free Resource from WagiLabs**

WagiLabs invites children to unleash their wildly creative ideas. The 160-page playbook takes the kids on a voyage of empathy, resilience, and mindfulness through guided techniques using our team-based kidpreneurship exercises.

---

### **New Report: Community programs important in preventing childhood obesity**

Afterschool and summer learning programs are part of a comprehensive approach to support the health and wellness of children by providing a setting where children can be physically active and eat healthy snacks and meals, and through supporting the policy goals and implementation of community programs and policies.
