

Quality Program Manager Position

Join the Growing Team at AzCASE! - Seeking a Quality Program Manager!

Arizona's leading statewide out-of-school time capacity building and advocacy organization in search of a Quality Program Manager!

The Quality Program Manager is a key leadership position that will oversee and implement [AzCASE's statewide quality programs](#). This new position is an exciting part of AzCASE's organizational growth and will be integral to expanding supports to out-of-school-time professionals in response to increased funding.

AzCASE could be the next stop on your career path!

Are you excited by the possibility of advancing high-quality afterschool programs, developing capacity-building systems, and cultivating strategic partnerships?

Are you a thoughtful and proactive problem-solver who enjoys designing, expanding, and managing complex projects?

Are you seeking to work alongside other mission-driven leaders committed to continuous growth and fostering a culture of belonging?

If you answered yes to the questions above, click [HERE](#) to learn more about this unique opportunity!

**This holiday season, instead of hosting a party,
we are focusing our efforts on the spirit of giving!**

**AzCASE is looking to "Adopt a Program"
and make many of your wishes come true.**

To fill out an application for consideration, please click [HERE](#).

Applications are being accepted until December 10.

NAA'S
NEXT GENERATION
OF AFTERSCHOOL LEADERS | 2022

Know a young leader
who's influencing our field?

Nominate them today!

Nominations for National AfterSchool Association's 2022 Next Generation of After School Leaders is now open!
