RESILIENCE:
A DOCUMENTARY
FOLLOWED BY Q&A

Join AzCASE to view this powerful documentary. Viewings are scheduled for:

- Phoenix on February 26th
- Tucson on February 28th
- Flagstaff on April 11th.

Resilience chronicles the dawn of a movement that is determined to use cutting edge science and field tested therapies to protect children from the insidious effects of toxic stress and the dark legacy of a childhood that no child would choose. Each session will be followed by an expert led panel discussion and Q&A session.

PLAYSHOP

for educators, youth workers, and parents who want to create safe and inclusive environments for kids.

Playworks Arizona is please to offer our **PlayShop**, a three-hour experiential workshop designed for all adults working with youth. The **PlayShop** will equip you with:

- Tangible group management and conflict resolution tools that can be implemented immediately
- An inspired understanding of how recess, play and physical activity can positively impact school or program climate
- A powerful perspective on the barriers students face when accessing safe and healthy play and how adults can ease those challenges

This training is great for principals, supervisors, all classroom teachers working with preschool through eighth grade, recess staff, parent volunteers, out-of-school time staff and really any adult working with kids!
