2023 CACFP VIRTUAL SUMMIT
August 15-17, 2023 | 11:30 am - 4:30 pm Eastern on Zoom

The Child and Adult Care Food Program (CACFP) is a federal program that provides reimbursements for nutritious meals and snacks to eligible children and adults who are enrolled for care at participating childcare centers, daycare homes, and adult daycare centers. The summit provides continuing education especially designed for Child Care Centers, Sponsoring Organizations, Head Start, Food Banks, Schools, Tribal Nations, Adult Care Centers, Emergency Shelters, Child Care Home Providers, State Agencies,
and Anti-Hunger Advocates

It only takes two minutes to apply for one of 100 scholarships to the Virtual Summit - a $149 value!

**The deadline to apply for scholarships is August 1, 2023.**

**Apply for Scholarship**

You Don't Want to Miss This!
Earn up to 12 hours of Continuing Education by attending the Virtual Summit. If you are selected for a scholarship and have already registered, your registration fee will be reimbursed to you.

Can't make the sessions live? They will be available for on-demand viewing through August 31, 2023.

$149 Standard Registration
$199 Registration After August 3, 2023
We teach Artificial Intelligence to High School Students!
Are you ready to kickstart your knowledge of AI, machine learning, natural language processing, & more? Apply to participate in our NO COST AI bootcamp this fall (Oct 14, Oct 21, Oct 28, & Nov 4)!

11-3pm MST

Why MCF AI Bootcamps?
Over the course of four Saturdays, high school students will walk away with a greater understanding of AI, build relationships with like-minded peers, & participate in hands on labs each day. Students will get to work with field professionals and learn what their future in AI could look like.

"The Mark Cuban AI bootcamp changed my relationship with AI technology and gave me insightful views of the technology and its future." - Lauren L., 11th Grade, 2022 AI Bootcamp Participant

Learn the basics of AI
Take four Saturdays to be taught the basics of AI by industry professionals.

Build relationships with mentors
Build a relationship and work with mentors that are willing to guide you throughout the bootcamp sessions.

Meet students with the same interests as you
Create lasting relationships with other high school students that are also interested in the world of AI.

Apply today at
