

## School's Out, Make It Count Conference

### Celebrating 30 years!

Phoenix Convention Center, October 22, 2022

Here is one of our incredible Track 101 Workshops being offered this conference:

#### Youth Development 101

*Jenna Cooper, Valley of the Sun YMCA*

Even though we were all young once that doesn't mean we understand how youth develop now that we are adults. This workshop focuses on basic youth development, and how out of school time programs support positive character development for all. What is your role in youth's social/emotional development as a program staff member? Participants will have an opportunity for reflection and small group work as you learn how to adapt activities to meet the needs of your program's youth. K-4, 5-8, 9-12. II, III.

## Exhibitor Spotlight: Skillastics

## Launch into quality this fall!

Although summer programming has just begun, the fall will be here before we know it!

Wouldn't it be nice to start next year with:

- a clear vision of quality in your programs?
- a plan for how to get there?
- support along the way?

The AZCASE Pathway to Accreditation can provide all of that at no cost to your program!
