Announcing our Keynote Speaker-
Justin Jones-Fosu!

Justin Jones-Fosu spent his youth in afterschool programs before
starting his first job at the age of 14. After coming full circle and ending up as an afterschool staff himself, Justin applied what he learned as an employee and passionately helps organizations and individuals take ownership of their mindset, purpose, and performance to achieve amazing results.

MBA, CSP, author, and CEO of Work. Meaningful, Mr. Jones-Fosu's latest book "Your Why Matters Now: How Some Achieve More and Others Don't" challenges the reader to merge their purpose and productivity to get more out of work and life.
