It's Spring Training Season with AzCASE!

Are you taking advantage of AzCASE's accessible OST-tailored professional development? We're rolling out even more trainings and are still working on more! Join us for:

Our **Tucson** workshop with Jason Jamison, the highly-rated and high-energy **PE in OST: Safe, Healthy & Fun Group Management** that gets staff and youth positive and full of play!

Tucson - April 5 - 9:00-12:00 - \$35

Our **financial literacy debut** of **Save, Spend or Splurge: Make a Splash with Financial Literacy** with financial consultant Michael Sullivan as he debuts "The Minnow Tank (of Savers)", a new financial literacy curriculum specifically developed for out-of-school time programs!

Phoenix - April 12 - 9:15-12:15 - \$15

Our **encore** of **Train Your Staff Like a Pro**--our first session filled up so fast, we just needed to offer it again for you! OST Leaders and Managers, make sure you take part in our Leadership series! *This training is designed for out-of-school time leaders who manage staff.*

Phoenix - April 25 - 9:00-3:00 - \$45

Are you on the map of Arizona Out-of-School Time Programs?

AzCASE hosts the state's only comprehensive, bi-lingual, FREE map of out-of-school time programs--[The AZ Afterschool Program Directory](#). Our Directory is an easy tool for parents to consult to find a program near them.

AzCASE and our partners across the state share the Directory with parents and AZ communities, so want to make sure that you're on the map and that your information is accurate and up-to-date! The Directory is tied in to our Continuous Quality Improvement Processes, so make sure parents can see that you use the [AZ Quality Standards](#) and are [committed to quality](#)!

Here's your yearly reminder to make sure that your program is on the map! Log In and update now!

3D Printer Training in Paradise Valley--FabSLAM Phoenix

Digital Harbor Foundation will be conducting a three day training, April 20-22, 2017 for 3-D printing (*including a 3-D printer with the training!*) at the Foothills Resource Center of PVSchools.

The cost to participate in **FabSLAM Phoenix** will be \$1950 for each organization, which covers the three-day workshop for a single educator, a 3D Printer, and printer accessories. Participating organizations can send an additional staff person to the training for \$450. **Registration closes on March 31st; [find more information here.](#)**

New Reward in Lights on Afterschool Poster Contest

Grab your markers and sketchbooks, your digital art pads and pens and get ready for the 2017 Lights On Afterschool poster contest! This year, there's a new twist to the competition: **the artist who creates the winning masterpiece will take home \$500 for their OST program!**

We all know OST programs keep kids safe, help working families and inspire youth to learn. We want your students to tell the world what their program means to them! The Lights On Afterschool poster contest is a great opportunity for an OST program to gain national recognition for the opportunities it offers. [Learn more about this year's contest!](#)
