2019 Conference Photo Winner ICAN Positive Programs for Youth

This year we had 50 photo submissions for the 2019 Conference Photo Contest. The 27th Annual School's Out, Make It Count conference will feature ICAN's winning photo.

ICAN goes beyond being just an after-school program for at-risk youth. ICAN works with youth on the critical skills they need to be productive and responsible members of the community.

Mark your calendar for May 1st to secure the Early Bird discount for the October *School's Out, Make It Count Conference*. Remember you can register during Early Bird registration and pay or submit a PO number in August. [2019 Conference Details](#)
