Announcing the Arizona Afterschool Program Quality Accreditation

At the School's Out, Make it Count Conference last month we announced the new **Arizona Accreditation Program** for afterschool and summer learning programs.

Program accreditation is the ultimate indicator of program quality - quality that lends itself to improved outcomes for children, youth and families.

Ready to show off the quality of your program? [Click here for details](#)

Creating a learning environment that increases students ability to learn.

Research shows using your visual classroom enhances students memory and focus. Here are great tips for ensuring your program space is supporting memory and learning growth.
