Thanks for the Biggest Arizona Out-of-School Time Conference Yet!

We had the most attendees, workshops, and exhibitors ever at the **2015 Arizona Statewide Out-of-School Time Conference!**

Almost 800 OST professionals from 125 programs representing 8 Arizona counties participated in hands-on and informative workshops covering wide ranging out-of-school time topics requested by providers.

[#makeitcountAZ](#) was a popular hashtag during the conference.

Feel free to #bt anytime, and to [check out the tag](#).

We love to see how Arizona OST professionals spent the day of professional development and fun in the workshop sessions, exhibit hall and even at lunch.

Also—stay tuned for the announcement of the Conference Survey iPad winner!

As always, we're combing through your evaluations to make next year's conference even better--always striving for that continuous quality improvement!

Thanks to all our sponsors, exhibitors, presenters, and attendees who all made this year's success possible!

Arizona is Dedicated to Continuous Quality Improvement

AzCASE and the Valley of the Sun United Way were excited to launch the new [online Arizona Quality Standards Assessment Tool](#) (AzQSAT) in conjunction with Lights on Afterschool and this year's School's Out, Make it Count professional development conference.

Aligning to the Arizona Quality Standards for Out-of-School Time programs, the AzQSAT is a new, free online designed to be accessible to every out-of-school time program dedicated to Arizona's youth!

The AzQSAT is easily found at

www.azqsat.com or at www.afterschool.org/assessment.

Copies of the Arizona Quality Standards and the AzQSAT, and a continuous quality improvement plan

template are all available by request from AzCASE.

Thank you for your support of AzCASE and all you do for Arizona's youth!

Sincerely,

**Melanie, Franny, Caitlin, & Genevieve
