Read Better Be Better At Home

Read Better Be Better's mission is to help children improve their literacy skills and become better learners. RBBB understands that students may not be participating in after school programs in the traditional sense, and has created this program with that in mind—with options ranging from simply getting a kit to enrolling in our full 6-week program.

Families with a 2nd-4th grade student and a middle or high school student will work through our curriculum: reading stories, writing their thoughts, and spending time together away from screens.

Get Materials: Pick Up a Kit!

Kits are available at the RBBB office and other organizations across the Phoenix area. If you cannot pick up a kit, the curriculum guide is available for download on our website.

Get Trained: Participate in a Free Webinar!

Visit our website to sign up for a live webinar or watch a training video, available in English and Spanish.

Get Support: Meet with an RBBB Site Leader!
