A great loss to the national afterschool community

It is with sadness we share that Bill White, Chairman of the Mott Foundation Board and long-serving President, passed away on October 9th.

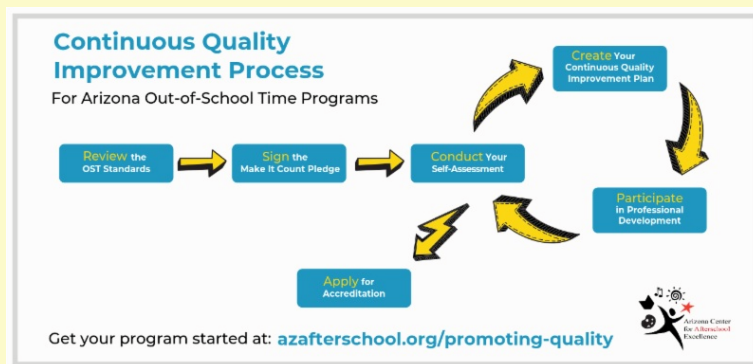

Bill was one of the most amazing champions of children, youth and families that you could ever meet, and his belief in the power of afterschool to change young people's lives for the better was known to many.

We want all of you to know how supportive Bill was of your leadership and the work you

do every day to help our young people thrive, particularly those who would not otherwise have afterschool opportunities. You will enjoy knowing that on Monday last week, Bill was celebrated at the Council of Michigan Foundation's annual conference, where he also viewed a video of many partners over the years, including Governor Schwarzenegger! He will be dearly missed by all of us, and his legacy lives on in all of the work that you do.
