Please help us help you! Complete a survey to provide summer programs for all Maricopa County youth.

Valley of the Sun United Way is partnering with the Arizona Center for Afterschool Excellence and the National Summer Learning Association to build a stronger system for summer learning in our region.

Through this project we hope to develop a shared vision for summer learning and a plan for aligning contributions to ensure summer learning opportunities are available to all children, not just some.

We invite you to join this project by completing a survey on your summer program.

SEL Skill Development During Recess and PE

Now that the weather in Arizona is getting cooler, we can take our programs outside! This great article from Edutopia lists four social and emotional learning skills that teachers can address during recess and PE.

[Click here to read the article](#)

All programs that register a [Lights On Afterschool](#) event by Oct. 4, will also be entered to win a prize pack from STEMfinity, **valued at more than \$1,000!**

Once you [register](#), you'll receive:

- 10 free posters
- Planning tips from seasoned veterans
- Sample materials

These next four weeks are going to fly by-make sure you're ready for October 25!
