## Take a Quick Survey and Earn a Chance to Win a \$50 Gift Card

We need your help to continue to tell the story of the ways in which COVID-19 has impacted your program and the kids and families you serve. By taking Afterschool Alliance's short survey, you are lifting up challenges programs face as the pandemic continues, and, more importantly, your answers will raise awareness of the short- and long-term effects of COVID-19 on the afterschool field.

Take the survey now and have a chance to win a \$50 gift card! Five winners will be selected at random each week the survey is **open through 11:59 p.m. PDT, Today, Oct. 26.**

This is Wave 3 of the *Afterschool in the Time of COVID-19* tracking survey, with findings from previous waves shared with federal policy makers and featured in publications such as *Education Week* and *Youth Today*. Add your voice to the more than 1,000 program providers who have stepped up to answer the call for help!

The survey should take no more than 10 minutes of your time and your responses will be anonymous. Thank you for sharing information about your afterschool and summer programs!

Start the survey at <https://3to6.co/survey>

If you need assistance completing the survey, please contact Lydia Redway at [redway@edgeresearch.com](mailto:redway@edgeresearch.com). If you would like more information about the research, please contact Nikki Yamashiro at [nyamashiro@afterschoolalliance.org](mailto:nyamashiro@afterschoolalliance.org).
