2019 Lights On Afterschool - Schedule your event and Celebrate!

Join more than 8,000 communities and 1 million Americans in celebrating afterschool programs for the 2019 *Lights On Afterschool!*

This nationwide event, organized by the Afterschool Alliance, calls attention to the importance of afterschool programs and the resources required to keep the lights on and the doors open. ACASE is proud to be a *Lights On Afterschool* partner. Too many American children—19.4 million—are missing out on afterschool opportunities. Participate in *Lights On Afterschool* and help call attention to this important issue.

We encourage you to hold a *Lights On Afterschool* celebration to showcase the great things happening in your program, and help call attention to this important issue.

All who register to be part of *Lights On Afterschool* will receive free posters and planning tips, and events will be promoted to media and the public. Everything you need to plan a successful event, from case studies to sample materials, is available in the Lights On Afterschool Planning Kit.
