## Future Leaders Town Hall

### “Strong Families Thriving Children”

AzCASE is working with Arizona Town Hall to carry out three Future Leaders Town Hall (FLTH) events in Maricopa, Pinal and Coconino counties. With these events the hope is to bring attention to the value of out-of-school time programming as a significant component on the Future Leaders Town Hall topic of Strong Families Thriving Children. AzCASE is the organization in Arizona that is leading these advocacy efforts, bringing the community together, and giving youth a voice. The event is open to all middle school and high school age youth who would like to participate.
