

Apply for a STEM Grant!

March 12, 2016

NOW ACCEPTING APPLICATIONS FOR 2016 GRANTS

AzCASE and Cox Communications invite Arizona out-of-school time programs to apply for a **2016 STEM Grant**. Programs are encouraged to work with staff and youth to develop creative, new ways to incorporate STEM into out-of-school time programming. Grants ranging from \$500 to \$1,500 will be funded based on the quality and impact of the proposed projects. Programs serving K-12 youth afterschool, before school, during summer and on school breaks are eligible to apply. **Deadline to apply is Friday, April 29!**

NATIONAL YOUTH SCIENCE CAMP SEEKS SENIORS

The Governor's Office of Education is calling for applications to the **2016 National Youth Science Camp (NYSC)**, an annual program that rewards two high-achieving high school students from each state in the U.S. with a fully funded summer camp experience dedicated to scientific exploration. The nearly month-long program centered in West Virginia includes lectures and hands-on research projects presented by scientists from across the nation; overnight camping trips into the Monongahela National Forest; and a visit to Washington D.C. The selected

delegates must not only demonstrate academic achievement in science, but also show potential for thoughtful scientific leadership. The NYSC experience is operated by the National Youth Science Foundation® and offered at no cost to its participants. Educational and recreational programming, as well as meals, lodging, and round-trip air passage on scheduled airlines are provided free of charge. Delegates arrive in Charleston, West Virginia, on Wednesday, June 15, and depart on Sunday, July 10, 2016. **Applications must be submitted by Wednesday, March 16, 2016 by 6 PM EST.**
