STEM Workshop @ 2015 Conference

MISSION STEM: STRATEGIES & TOOLS FOR OST

Mission STEM: Strategies & Tools is part of the STEM workshop track at the [2015 School's Out, Make It Count, Arizona Statewide Out-of-School Time Conference](#) on Saturday, October 24 at the Phoenix Convention Center. Presented by Laurie Michnal-Peck of Zula International, this hands-on workshop will teach you to implement engaging, inquiry-based, cross-curricular science activities that stimulate critical thinking. Walk away with specific activities and inquiry strategies to use in your program. This is just one of **nine STEM workshops** at this year's Conference. Don't miss your chance to get trained by experts in informal STEM learning. [Register today](#)
