

Keeping Kids Connected with the COX Connect2Compete Program

During this time of uncertainty and required in-home learning, Cox is helping get families in need connected to the internet through our Connect2Compete program. For customers who sign-up before September 30, 2020, they are offering:

- First two months free Connect2Compete service, \$9.95/month thereafter
- First two months free remote desktop and phone support through Cox Complete Care to provide peace of mind and ease for technology needs
- Resources for discounted, refurbished equipment through our association with PCs for People
- School toolkits are available to help families connect to the internet

Eligible families are those with K-12 children who are eligible for the National School Lunch Program, Head Start, SNAP, WIC, LIHEAP, and/or TANF; who receive Tenant-Based Vouchers, Project-Based Vouchers or Section 8 Project-Based Rental Assistance (PBRA); and/or who live in Public Housing.

NASA Opens Call for Proposals for Informal STEM Education

Repost from Afterschool Alliance

If you're still conducting STEM learning under extraordinary circumstances, NASA wants to hear from your out-of-school time program! Right now, NASA Teams Engaging Affiliated Museums and Informal Institutions (TEAM II) is hosting a Remote Opportunity Rapid Response call for proposals for innovative programs, opportunities, or products capable of reaching a diverse set of students, with specific focus on underserved and/or underrepresented students in STEM and helping to minimize the inequities faced by communities without ready access to information and communication technology.
